We regret to have to announce that about three o'clock Tuesday afternoon the house of Mr Pointer Barger, who lives on the Wortburg and Petros road about nine miles from Wartburg was totally destroyed by fire together with the contents. The fire was first discovered in the north-west corner of the building is thought to have caught from the stove. and as a wind was blowing at the time the flames spread rapidly and in less than half an the building with its coutent was totally destroyed. Mr Barger*ls a poor man and has a large family who are turned out of home with only the clothes they had on. He and his family need help and the Press hopes the people of this section willome forward and help them in their dire need,

The Hallowe'en Party given by the Harmony Club was very pretty. The Hotel Zumstein was turned into a bower of autumn leaves where "spooks" and "goblins" held sway. Each room was dimly lighted with jack . o - lanterns. The guests were met at the gate and escorted to the house by ghosts where all was in "creepy stillness." A ghost presided over the fortune pumpkin where each guest learned his future fate. The usual Hallowe'en games furnished amusement. At a late hour a salad course was served in the dining room which was beautifully decorated with autumn leaves and white chrysanthemeums. Each table had a center piece of leaves, jack-o-lantern and "black cats." There were thirtysix guests present. Those from out of town were Messrs Quinn, Ald.ich and Williams of Lancing and Gran Davis were Deer Lodge visi-Zumstein and Short of Catoosa.
